INDEPENDENT AUDITOR'S REPORT

**To the Council Members
Central Savannah River Area
Regional Commission
Augusta, Georgia**

Report on the Schedule

We have audited the accompanying Schedule of State Contractual Assistance and the Schedule of Awards Expended by Contract Number – Georgia DHS – Division of Aging Services of the **Central Savannah River Area Regional Commission** (the "Commission") for the year ended June 30, 2020 and the related notes.

Management's Responsibility for the Schedule

Management is responsible for the preparation and fair presentation of this schedule in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedule that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the schedules.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Schedule of State Contractual Assistance and the Schedule of Awards Expended by Contract Number – Georgia DHS – Division of Aging Services referred to above present fairly, in all material respects, the amount of state revenues earned for each contract completed or in process and amounts due to or from the state agency for each contract of the Commission as required by the Official Code of Georgia Annotated, Sections 50-20-01 through 50-20-08 for the year ended June 30, 2020, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the Central Savannah River Area Regional Commission as of and for the year ended June 30, 2020, and our report thereon, dated December 4, 2020, expressed an unmodified opinion on those financial statements.

**CENTRAL SAVANNAH RIVER AREA REGIONAL COMMISSION
 NOTES TO SCHEDULE OF STATE CONTRACTUAL ASSISTANCE AND
 SCHEDULE OF AWARDS EXPENDED BY CONTRACT NUMBERS
 June 30, 2020**

1. GENERAL

The schedules present as required by the Official Code of Georgia Annotated, Sections 50-20-1 through 50-20-8, the amount of state assistance earned for each state contract completed or in process during the fiscal year and amounts due to or from the State agency for each contract for the year ended June 30, 2020.

2. BASIS OF ACCOUNTING

State contractual assistance means state or federal funds, or both, received from a state organization through a contractual arrangement.

The accompanying schedules are presented using the modified accrual basis of accounting. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period. The Commission considers all revenues available if they are collected within 150 days after year-end. Expenditures are recorded when the related fund liability is incurred, except for claims and judgments and compensated absences, which are recognized as expenditures to the extent they have matured.

3. SUBSEQUENT LIQUIDATION OF DUE FROM STATE

All amounts due from the State of Georgia were received subsequent to June 30, 2020.

4. AMOUNTS DUE TO GEORGIA DEPARTMENT OF HUMAN SERVICES – CURRENT AND PRIOR YEARS

The Commission requested and received more funds than actually earned in the current and prior years. As a result, the Commission adjusted accrued revenues for the excess funds requested and reflected the excess as amounts due back to DHS. The Commission has received the funds and awaits the DHS Office of Financial Services to recoup the overpayments from a subsequent payment or request payment by check or direct through automated clearinghouse.
